October 5, 2009

We are very pleased to invite you to participate in our 2010 Conference of the North Carolina Association for Institutional Research (NCAIR) which will be held March 15-17, 2010 at the Hilton Garden Inn in Kitty Hawk, North Carolina.

The Conference is planning for **60** professionals who work in institutional research, planning, reporting, assessment, and information technology in the North Carolina community colleges and upper-division colleges and universities.

The 2010 NCAIR Conference will give you the opportunity to represent your corporation at a major conference, display your materials, and market your products to approximately **60** higher education professionals from across North Carolina.
